Ref: IMPORTANT ANNOUNCEMENT FROM COMMAND RADIO COMMUNICATIONS

A Message to Our Valued Customers

After 36 years of proudly serving customers throughout New Jersey and New York, Command Radio Communications is pleased to announce the transition of our customer accounts to **Spectrum Communications of New Jersey**.

For more than 30 years, Spectrum Communications has been a trusted dealer of Kenwood products and will continue to offer the same comprehensive line of Kenwood radio products and systems that our customers have relied upon over the years. Spectrum Communications is also an approved New Jersey State Contract (NJSTART) dealership and provides both product sales and professional installation services for its systems and equipment. To ensure the most seamless transition and best possible customer experience, all of your existing radio programming files, radio programming matrixes, and technical account data have already been securely transferred to the Spectrum Communications team.

Spectrum Communications Primary Contact

Ed Windt

80 N. Dell Avenue, Suite 12

Kenvil, NJ 07847

Phone: 973-252-4262

Email: command@spectrumna.com

Ed and his team will be available to assist with future quotes, account information, installations, warranty services, and general inquiries.

A New Role for Scott Karcich

Scott Karcich, President of Command Radio Communications, will be transitioning into the role of **JVC Kenwood Corporation's Manufacturer Sales Representative for New Jersey and Lower New York**. In this capacity, Scott will continue working closely with dealers such as Spectrum Communications to support the development and execution of JVC Kenwood Corporation projects throughout the region.

Scott has served as President and steward of Command Radio Communications since 2008, when he succeeded his father, Mario Karcich, who founded the company in 1990. As a family-owned and operated business for 36 years, Command Radio Communications has always taken great pride in providing exceptional service, personal attention, quality products, and dependable communication systems.

We are deeply grateful to the many customers, colleagues, vendors, and business partners who have placed their trust in us throughout the years. It has been our privilege to serve you, and we sincerely appreciate the relationships we have built along the way.

"Helping Keep Students and Personnel Safe"

Scott will remain available to Ed Windt and the Spectrum Communications team throughout this transition to help ensure a smooth transfer of customer accounts and continuity of service. Our goal is to make this transition as seamless as possible for all of our customers.

Pending Purchase Orders & Existing Orders

For customers who have already submitted purchase orders or have purchase orders currently in transit by mail at the time of this announcement, please be assured that your orders are being actively fulfilled. Equipment for these existing orders has already been placed with JVCKenwood and is currently awaiting delivery. These orders will be completed, fulfilled, and billed under Command Radio Communications as scheduled.

For all future quotes, account questions, installations, warranty services, and general inquiries, please contact **Ed Windt and the Spectrum Communications team** at the information provided above.

We are confident that Spectrum Communications will continue to provide the level of service and support our customers have come to expect.

Thank you for 36 years of trust, loyalty, and friendship.

We sincerely appreciate the opportunity to have served you and look forward to remaining a part of the communications industry in our new capacities.

A handwritten signature in black ink, appearing to read 'Scott Karcich', with a stylized, cursive script.
